

## #D-1 DISPLAY RACK

### **An Attractive Display Creates Instant Interest**

Nothing draws attention like a table and chairs set up on the showroom floor. It tells customers that you handle the best and allows them to see and feel the quality!

If space is a problem, our **#D-1 DISPLAY RACK** is the solution! With it, you are able to display two of our tables with chairs in less than 13 square feet. Customers are still able to see and feel the quality, even when you are short of floor space. It is easily assembled with all hardware provided.
